

Prof. Kenneth Morse

Visiting Professor, ESADE Business School; Chair in Entrepreneurship, Innovation and Competitiveness at DUT and founding MD of MIT Entrepreneurship Centre

Kenneth P. Morse is the Founding Managing Director of MIT Entrepreneurship Center. He holds a Chair in Entrepreneurship, Innovation and Competitiveness from Delft University of Technology (Delft, The Netherlands).

Currently Visiting Professor at ESADE Business School in Barcelona (Spain), he is also Chairman at Entrepreneurship Ventures, Inc. He has been a high performance leader in global high tech sales and sales management for over 35 years. He is a Commercialization Advisor for Dynasil Corporation of America and a serial entrepreneur. He holds a Bachelor of Science from MIT and also a MBA from Harvard Business School. Prior to joining the MIT Entrepreneurship Center as Founding Managing Director in 1996, Ken Morse was a co-founder of six high-tech companies, together with MIT friends and classmates. Five of these ventures had successful IPOs or mergers; one was a disaster. They included 3Com Corporation, Aspen Technology, Inc., a China Trade Company, a biotech venture, and an expert systems company. Ken was either the CEO or responsible for part or all of the Sales organization in each of these new enterprises.

Ken Morse's interest in international high tech ventures began at MIT, where he graduated with a BS in Political Science in 1968 followed in 1972 with an MBA from Harvard Business School. In 1975 Ken formed a trading advisory company under the aegis of Chase Manhattan Bank to assist U.S. technology-based companies such as IBM, General Motors, Gillette, Hughes Aircraft, Mine Safety Appliances, Waters Associates, and others to enter the China market.

He is a member of the Council on Foreign Relations (New York City) and the Cercle Royal Gaulois Artistique & Littéraire (Brussels). He serves on the Board of Advisors of Denkwerk GmbH in Germany, iMotions – Emotion Technology A/S and Zylinc ApS in Denmark, Aifos Solutions and Invenio in Spain, Naseeb Networks and Sofizar in Pakistan, as well as Dynasil Corporation, and several MIT spin-offs, including Terrafugia, Inc.
