

PART B

EIT 2014 Call for KIC proposals

Instructions to Forms B1, B2 and B3

The minimum font size allowed is 11 points, Calibri. All margins (top, bottom, left, right) should be at least 15 mm (not including any footers or headers). A maximum length is specified for the Form B2 - the length of this file may not exceed 50 pages. Also a maximum length is specified for the different three sections of Form B2, which mirror the selection criteria. The applicants must keep the proposal within these limits.

- *The applicant must use exclusively PDF (“portable document format”, compatible with Adobe version 5 or higher, with embedded fonts). Other file formats will not be accepted by the system. There is an overall limit of 10 Mbyte to the size for each proposal file. The name of a file may only contain alphanumeric characters. Special characters and spaces must be avoided.*
- *All three files consisting of Part B of the proposal (Form B1 - Cover Page, Form B2 - Proposal and Form B3 - Estimated Financial Resources) must be completed and uploaded. Any hyperlinks to other documents, embedded material, and any other documents (supporting documentation, reports, audio, video, multimedia, etc.) sent electronically or by post, will be disregarded.*
