Climate-KIC PhD Summer School “Innovating for Sustainable Cities”

Play your part in designing the sustainable cities of the future!

Join our Climate-KIC PhD Summer School 'Innovating for Sustainable Cities' from **8 to 19 September 2014 in Berlin**. You will become part of a community of change-makers, and share your skills and knowledge to develop practical solutions. This is your chance to acquire the skills to bring your innovative ideas to life!

We offer

- learning-by-doing approach to innovation
- usage of a range of tools and methods for systemic innovation
- real-life challenges
- discussions with decision makers
- close corporation with Climate-KIC experts on sustainable cities

Interested PhD candidates are invited to **apply by 11 July 2014 [HERE](#)**
