

Are you enrolled in, or an alumnus of, an EIT KIC educational activity?

Have you implemented or initiated an innovative idea, project, service or product, process, or new business model, that resulted in a change?

Are you 35 or younger?

... So what are you waiting for?

Apply for the EIT's CH.A.N.G.E. Award now!

EIT CHANGE AGENTS & NEXT GENERATION OF ENTREPRENEURS AWARD

IF SUCCESSFUL, YOU WILL:

- Be offered a tailor-made mentoring/coaching programme attuned to your specific needs;
- Increase your visibility by having your achievements and profile published on the EIT website;
- Proudly be able to use the label "EIT CH.A.N.G.E. Award winner 2013".

All nominated applicants will be invited to pitch their achievement in front of an international jury during the "EIT Awards" in Budapest on 12 November 2013.

You will have the chance to meet up with successful entrepreneurs, innovators and connect to your fellow students and alumni from EIT KIC educational programmes.

A maximum of three nominees per KIC will be invited, and one nominee per KIC will be awarded the CH.A.N.G.E. Award.

WANT TO APPLY? HERE'S HOW:

Please submit your application by **31 August 2013** to Climate-KIC's Evelyn Schreuder: education@climate-kic.org

Provide the following documentation in order for your application to be evaluated:

A maximum four pages description of:

- your achievement, why it is innovative and entrepreneurial and the potential societal and environmental impact it is likely to create;
- which role you have played in its implementation;
- how EIT/KIC educational programmes and training have facilitated/supported your achievement

A copy of your completion certificate from the KIC education activity or current degree enrolment certificate;

A letter of support from your supervisor, current employer or other.
