

2023 April - Public Events Record

Date	Title	Participant(s)
13 April 2023	<p>EIT Culture & Creativity Policy Advisory Board meeting, hybrid</p> <p>The Policy Advisory Board is an informal gathering (foreseen twice a year) between the EIT Culture & Creativity and relevant Commission services, with the participation of the EIT. It allows the EIT Culture & Creativity to receive policy advice from the European Commission and the EIT, to facilitate the exchange of information, increase mutual understanding of activities, create synergies and help all three parties better align their strategic objectives with the key EU policy priorities.</p>	Martin Kern, EIT Director
19 April 2023	<p>EIT Health InnoStars event, Budapest</p> <p>An event to announce the key findings of the study conducted last year on the InnoStars innovation ecosystem maturity.</p>	Márton Herczeg, Head of Unit, EIT
24 April 2023	<p>Energy & Innovation Roundtable, Budapest</p> <p>A roundtable co-organised by Európa Pont (joint information and cultural centre of the Hungarian Representation of the European Commission & the Hungarian Liaison Office of the European Parliament), Blue Door Consulting and the Hungarian Development Centre aiming at exploring how EU Initiatives can contribute to Hungary's energy strategy goals and the untapped potential of EU direct funding and innovation.</p>	Dávid Tas, Head of Unit, EIT

<p>25 April 2023</p>	<p><u>Science Business roundtable</u> <i>Scarce resources: How can the world of R&D fix its talent shortage?</i> online</p> <p>An expert, Members-only roundtable to discuss whether Europe can agree on a sustainable long-term investment strategy to attract and retain the talents it needs today, while significantly scaling up its capacity to develop the skilled workers of tomorrow, both through innovations in education and in lifelong training for the current labour market.</p>	<p>Márton Herczeg, Head of Unit, EIT</p>
<p>26 April 2023</p>	<p>Education GB Advisory Group Meeting, online</p> <p>The Education Advisory Group assists the EIT Governing Board and the EIT on its education agenda to enhance EIT impact and visibility in the education area and provides strategic guidance relating to the development, implementation and monitoring of the key EIT Education priority areas, in particular concerning the HEI Initiative, the EIT Label model and the Deep Tech Talent Initiative.</p>	<p>Heinrich Arnold, EIT GB Member Jan Figel, EIT GB Member Janis Grevins, EIT GB Member Martin Kern, EIT Director Márton Herczeg, Head of Unit, EIT</p>
<p>26 April 2023</p>	<p>1st Annual meeting of the Member State Representatives Group (MSRG), online</p> <p>The regular MSRG meetings serve to inform the national representatives about the EIT's strategic priorities and implementation as well as to receive the MSRG's opinions and advice on strategically important matters. The Summary Records of the meetings are published here.</p>	<p>Martin Kern, EIT Director Dávid Tas, Head of Unit, EIT Caroline Vandenplas, Acting Head of Unit, EIT</p>
