# 1 Introduction - Background

In order to promote an entrepreneurial mind-set and a risk-taking culture within the EIT Community, the EIT introduced the EIT Entrepreneurship Award in 2012. This award was presented to three successful ventures that had benefited from each KIC's business creation support activities.

In 2013, the EIT further developed the concept of the EIT Awards.

The 'EIT Entrepreneurship Award' was renamed to 'EIT Venture Award'.

The 'Change Agents and Next Generation of Entrepreneurs Award' (EIT CHANGE Award) was introduced to incentivise entrepreneurship-driven innovation at EIT-KIC student and alumni levels.

In line with the EIT's vision to gradually extend the EIT Awards and cover the three main EIT Community activity pillars of business creation, education and innovation, the EIT introduced the 'EIT Innovators Award' in 2015 to present highly successful EIT-KICs innovation teams.

In 2017 the EIT Public Award was introduced to let the attendees of INNOVEIT vote on the best overall nominee across all three award category CHANGE / Venture / Innovators.

In 2018 the EIT Woman Leadership and Entrepreneurship Award was introduced, and the EIT Public (Citizen) Award was further featured.

The 2019 EIT Awards will comprise five main categories: EIT Venture, EIT CHANGE, EIT Innovators, EIT Woman Leadership & Entrepreneurship, and EIT Public (Citizen) Award.

## 2 Objectives

The EIT Awards promote innovation and entrepreneurship in Europe and contribute to the branding of the EIT in Europe and globally. The EIT Awards cover the three sides of the Knowledge Triangle and put on the spotlight: high-potential entrepreneurial start-ups brought to maturity by KICs; innovation teams encompassing different Knowledge Triangle actors that deliver outstanding innovations; and EIT Alumni that excel in putting into practice the skills and competences acquired in EIT labelled educational programmes as the next generation of entrepreneurs and change agents in European societies. The EIT Awards are an essential instrument to demonstrate the EIT's and KIC's achievements to stakeholders.

The **EIT Venture Award** puts the spotlight on **successful entrepreneurial start-ups** that have been supported by the innovation communities through dedicated business creation or business development processes.

Within the EIT Community, the EIT Awards play an important role in celebrating achievements and success, identifying role models and increasing opportunities for the further development of the EIT Award winners.
