EIT's 2018 Call for Proposals

EIT Manufacturing

Added-value manufacturing

EIT Urban Mobility

Smart, green & integrated transport

EIT Urban Mobility

This Innovation Community will develop solutions for sustainable urban mobility through breakthrough innovations, leading to greener, more inclusive, safer and smarter transport systems.

European Institute of
Innovation & Technology

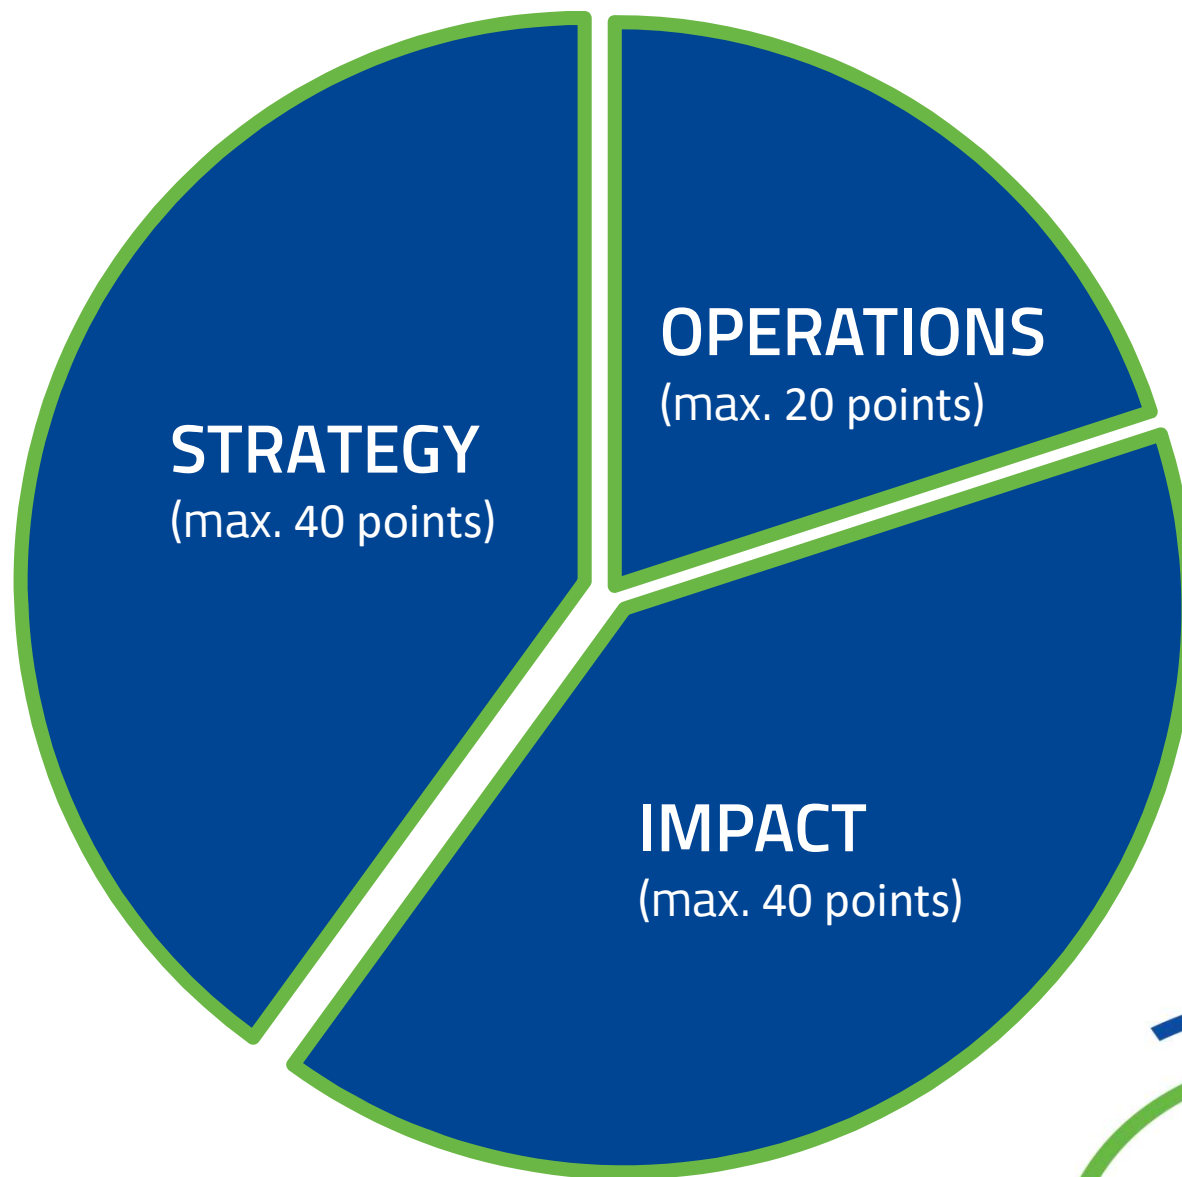

Factsheet in the EIT's Strategic Innovation Agenda 2014 - 2020 (SIA):
https://eit.europa.eu/sites/default/files/urban_mobility_sia_factsheet.pdf

EIT Manufacturing

This Innovation Community will strengthen high-value (or added-value) manufacturing industries to guarantee Europe's competitive position. It will create value by delivering product and service innovation, establishing process excellence, achieving high brand recognition, and contributing to a sustainable society.
