

PRIVACY STATEMENT

REGARDING THE MANAGEMENT OF THE MEMBER STATE REPRESENTATIVES GROUP AT THE EUROPEAN INSTITUTE OF INNOVATION AND TECHNOLOGY

This privacy statement provides information on the processing of personal data of the Member State Representatives Group (MSRG) carried out by the European Institute of Innovation and Technology.

The processing of personal data follows the provisions of Regulation (EU) 2018/1725¹ of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC (hereinafter “Regulation”).

What is personal data and what is a personal data processing operation?

Personal data shall mean any information relating to an identified or identifiable natural person (‘data subject’). An identifiable person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Processing means any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automatic means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction.

Who are the data subjects?

In accordance with the EIT Regulation, Member State Representatives Group (MSRG) shall be composed of one representative from each Member State and each Horizon Europe associated country.

The data subjects are the nominees (for the MSRG members and their substitutes) proposed by the Member States and the associated countries.

Who is the controller of the data processing?

The data controller is the Head of Communication and Stakeholder Relations Unit.

What is the purpose of the personal data processing?

The purpose of processing personal data is to set up the MSRG, the management of communications with its members and overall function of the group.

¹ OJ L 295, 21.11.2018, p. 39–98

The present privacy statement does not cover the processing of personal data in conflict of interest situations of the members and substitutes of the MSRSG and their assessment procedures.

Short description of the functioning of the MSRSG:

According to the EIT Regulation (EU) 2021/819² the MSRSG shall be composed of one representative from each Member State and associated country.

The MSRSG shall advise the Governing Board and the Director:

- (a) on the extension or termination of the EIT's partnership agreements with the KICs, as referred to in point 6 of Section 3 of Annex I of the Regulation;
- (b) on the conclusion of a memorandum of cooperation with each KIC, as referred to in point 6 of Section 3 of Annex I of the Regulation; and
- (c) on strategically important issues to the EIT other than those referred to in points (a) and (b), sharing experience with regard thereto. The MSRSG shall also advise and share experience with the KICs.

The MSRSG shall be regularly informed of the performance, achievements and activities of the EIT and the KICs, the results of their monitoring and evaluation, and their performance indicators and corrective measures. The MSRSG shall provide its opinion in regard thereto.

The MSRSG shall facilitate appropriate synergies and complementarities between EIT and KIC activities with national programmes and initiatives, including the potential national co-financing of KIC activities

The data processing operations include the collection, recording, organisation, storage, consultation, use, disclosure by transmission, erasure and destruction of personal data.
